Thank you letter from the Chihuahuan Desert Research Institute (CDRI):

A very eloquent and heartfelt thank you letter was sent to us from the Director of the CDRI. Gil read the letter to us, thanking us for the \$1,000 donation we made to the CDRI. The fire still burns, but life goes on and tour groups of children are returning.

Bird Sightings were shared.

Annual May member photo presentation

There were over 5 presentations of photos shared with the group.
Great photos from all over; local and exotic.

Refreshments and visiting was enjoyed by all. No host- everyone was requested to bring a snack to share.

We'll see everyone in September when meetings resume.

We thanked Gil for his years of service as President- well done!
